

Hop

By Phyllis Root

Baby bunnies bump and bumble. Cotton tails take a tumble.
(Do somersaults or roll around on floor.)

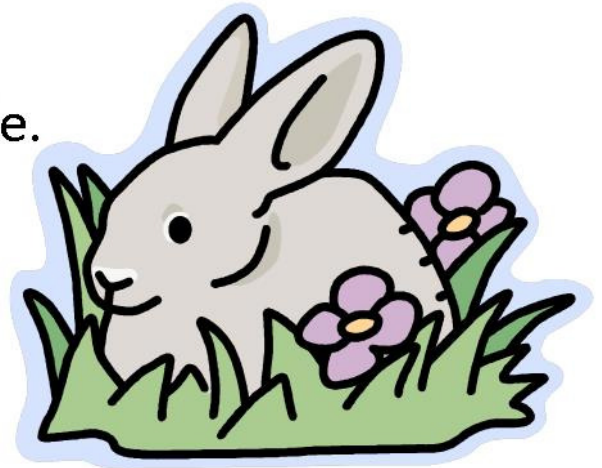

Bunny bouncers all play tag. Bunnies zig, bunnies zag.
(Run back and forth across room.)

Bunnies scratch and bunnies scritch. Whiskers wiggle,
noses twitch.
(Scratch behind ears with hands. Try to wiggle your nose.)

What's that noise?
(Look around in surprise.)

Bunnies hide! Find a hole , hop inside.
(Crawl into tunnel.)

Lipety-loppet, out they jump!
(Crawl out of tunnel.)

Baby bunnies thump, thump, thump!
(Jump up and down in place.)

Hungry bunnies in a bunch. Find some clover. . .nibble
lunch!
(Gather everyone together and pretend to eat.)
