

Dinosaur Skin

What kind of skin did a dinosaur wear? *(white sheet)*

Did it have feathers? *(pull out white sheet to reveal feathers)*

Or did it have hair? *(pull out feathers to reveal fur)*

What color was dinosaur skin, do you think?

Some people say green? *(pull out fur to reveal green)*

But it could have been pink. *(pull out green to reveal pink)*

How did it feel to touch dinosaur skin?

Was it bumpy and thick? *(pull out pink to reveal bumpy)*

Or smooth and thin? *(pull out bumpy to reveal smooth)*

How do we know what a dinosaur wore? *(pull out smooth to reveal green)*

We imagine and color--that's what crayons are for! *(pull out green to reveal crayon colored)*
