

FIVE LITTLE CHICKENS

Five Little Chickens by the old barn door.

One saw a beetle, then there were four.

Four little chickens under a tree.

One saw a cricket, then there were three.

Three little chickens looked for something new.

One saw a grasshopper, then there were two.

Two little chickens said, oh what fun.

One saw a ladybug, then there was one.

One little chicken began to run.

For he saw a katydid,
and then there were none!
