**Hero Song**  
**To the tune of *You are my Sunshine***

1) They are our heroes,  
Our super heroes,  
They help our neighbors,  
They help our friends.  
We may not know now,  
How much they help out.  
But our safety on them depends.

2) They're First Responders,  
Police and Firemen,  
Ambulance Drivers.  
And EMTs.  
Doctors and Nurses.  
The Military,  
They save lives through their brave  
deeds.

3) There are more heroes,  
In art and science  
History and music  
The sports world too.  
They are admired  
We love their stories  
Especially when they are true.

4) Animal Heroes  
Do search and rescue.  
Help the disabled:  
Dogs for the Blind.  
They need much training,  
But it is worth it  
When their true partner they find.

5) Heroes from comics  
TV and movies,  
Plus myths and legends,  
Tall Tales they weave.  
They are admired,  
We love the stories,  
Even those we can't believe.

6) I am a hero,  
A super hero!  
I help my neighbors,  
I help my friends.  
I help my family,  
And I am ready  
To see how MY story ends!

**Ninja Song**

**To the tune of *She'll be Coming 'Round the Mountain When she Comes***

They'll be creeping in on tiptoe when they come,  
They'll be creeping in on tiptoe when they come,  
Ninjas coming to the library, coming to the library,  
Ninjas creeping in on tiptoe when they come.

They'll be wearing their black outfits when they come,  
They'll be wearing their black outfits when they come,  
Ninjas coming to the library, coming to the library,  
Ninjas wearing their black outfits when they come.

Extra verses:

They'll be showing off their courage when they come . . .

They'll be carrying Ninja Sticks when they come . . .

They'll be hiding out of sight when they come . . .

Ninjas turning somersaults when they come . . .
