

My Many Colored Capes

By Carissa Christner, 2009

My cape of bravery goes over my head.
It makes me feel bold, and its color is **RED**.

My cape of honesty makes villains speak true.
It chases out lies, and its color is **BLUE**.

My cape of fairness conquers those who are mean.
It makes me feel strong, and its color is **GREEN**.

My cape of calmness makes me feel mellow.
It quiets the world, and its color is **YELLOW**.

My cape of wisdom helps me to think
And solve tricky problems, and its color is **PINK**.

My favorite cape gives me a nice glow.
It's all these great colors—In a **RAINBOW**!!!
