

Community Helper Heroes

Ideas for use:

- **Reader's Theatre (Cut peek through in face. "Policeman, police man what do you see?" Or "Fireman, Fireman, what do you DO?" In the style of Brown Bear, Brown Bear)**
- **Photo Spot (Cut peek through in face for photo spot)**
- **Stick Puppets**
- **Kids vote for favorite local hero. Place votes on large wall chart so kids can see progress (STEM) . To extend the STEM activity, you may make various kinds of charts and graphs to display. Invite winner(s) to read to summer readers and present them with a certificate.**
- **Do a different community helper theme each week. Invite the "Hero of the Week" to be a part of the program.**
- **Make a THANK YOU poster featuring different helpers, allow summer readers to sign their name or write a message/draw a picture. Present to local hero.**
