

Beyond the Manual--Putting the Super in Your Summer Library Program

Kansas Library Association Presentation

Vanessa North & Patty Collins - October 2014

# Publisher Document

Included several sizes of starbursts in various combinations.

You may change the color in each layer.

For the insignia necklace, we used 1/4 sheet of shrink plastic.

The insignia on the back of the cape was printed on cardstock, laminated, and attached with narrow duct tape.

For handmade starbursts, you may purchase the package of starburst cutouts from Dollar Tree or Wal-Mart and decorate your own.
