

Universal Class Workshop

What is Universal Class?

A free resource from the State Library of Kansas. There are over 500 online courses on a wide range of subjects. These courses are always available.

How do I access Universal Class?

Setup an account using your Kansas Library eCard.

Workshop Objectives:

Create an account and take a course, manage classes, search the catalog, see report cards, interact with students in the same class, access marketing materials, and more
