

Create Online Forms (Ninja Forms) in Word Press

Learn how to use logic to register multiple patrons on one form

- ◆ Create and edit an online form
- ◆ Understand and use logic to plan form fields
- ◆ Create email actions, for you and your patrons
- ◆ Understand submissions—what to do with data received

New Features:

- Logic
- Layout
- File upload
- Multipart

Who should come? Anyone who uses WordPress and is wanting easy ways to collect online data.
