

## *Youth Development Handout: Building Your Toolbox of Resources*

Consider what you know about tweens and teens.

Complete this handout and refer to it as a toolbox to help you create more interest-powered, youth-centered activities and spaces.

Age Group: \_\_\_\_\_

1. How they like to be spoken to:
2. The way they like their environment to look and feel:
3. Books/games/activities they like:
4. How they like to sit in a group:
5. How they move from one place or activity to another:
6. Activities where they may need help:
7. Things that help them feel encouraged and successful:
